

ANNOUNCEMENT REGARDING NEW TUITION FEES

Reference is made to the meeting of the UR Board of Governors on **16/08/2017** that approved the 2017-2018 Tuition fees. The decision of the Senior Management Committee on **21/06/2017** that approved the schedule for payment of tuition fees in three equal installments. The Management of University of Rwanda informs all students that:

1. The tuition fee for STEM programmes (Science, Technology, Engineering and Medicine) is 1,500,000 Frw.
2. The tuition fee for NON STEM programmes is 600,000 Frw.
3. Tuition fees for International students is 20% more than the above fees.
4. Other administrative fees remain unchanged.
5. As communicated on 26/06/2017, tuition fees will be paid in three equal instalments. The first instalment must be paid not later than 5th October 2017, the second Instalment must be paid not later than 5th January 2018 and the third Instalment must be paid not later than 30th April 2018.

All students are required to abide by the above schedule otherwise their names will not appear on class attendance and examination Lists and they will normally be excluded from accessing University services such as the Library.

The changes will not affect existing bursary contracts.

For any queries, please contact College Registrars, College Directors of Finance and College Directors of Students' welfare for advice.

Sincerely
