

CALL FOR ACADEMIC PROMOTION, 2020 ROUND

Applications for academic promotion are now open; interested academics are advised to send in their applications.

I. Note to the applicants

Applicants are requested to take special note of the following:

- **The current call for academic promotion follows provisions of the “2020 Revised Academic Promotion and Appointments Policy” approved by the Board of Governors of 14th October 2020. Thus applicants are strongly advised to read and understand it; it is downloadable from the University of Rwanda (UR) website.**
- **Particularly and in line with the above, applicants are advised to take note of the following new provision of the new policy: “Assistant Lecturer will not be promoted to the next position unless they get a PhD”. This implies that possession of a PhD (or professional doctorate) is the minimum criteria to be promoted at Lecturer position.**
- **Failure to submit on time required documents and in prescribed formats (see below) will lead the application for not being processed.**
- **Application files should be submitted electronically as well as in hard copy as follows:**
 - **Applications for professorial positions will be submitted to the UR Division Manager for Administration and Human Resources Management through the following e-mail address: urhqhr@gmail.com and copy to dir.hr@ur.ac.rw.**
 - **Applications for promotion to Senior Lecturer level will be submitted to the College Director for Administration and Human Resources Management. Colleges are requested to put in place electronic channels allowing electronic submission, and inform academic staff under the College.**
- **Applications for “accelerated promotion”:**
 - Accelerated promotion refers to cases “*where a candidate applies for promotion to a level that is two or more levels higher than the candidate’s current level*”. (Refer to the current policy, Section 1, page 4).
 - The applicant should make sure, before applying that she/he exceeds ALL the promotion criteria of the next position, and she/he meets ALL the promotion criteria of the level to which she/he wishes to be promoted.
 - Applicants are strongly advised to adhere to the above (prior self assessment), and apply for accelerated promotion when fully justified and aligned with the provisions of the current policy.
 - Failure to get accelerated promotion does not necessarily mean that the applicant will be promoted
 - to the position (level) next to her/his current position, unless policy criteria are fully met.
