

Announcement of Laptops Loan Scheme for UR eligible students

The management of the University of Rwanda (UR) informs current government-sponsored undergraduate students who joined the university in academic year 2019/20 and subsequent years that the **Laptops Loan Scheme** is open effective from **Monday 26th June 2023**.

Application procedures will be launched and be done through MINUZA. This new scheme is not mandatory; especially for students who are able to acquire laptops otherwise.

The laptops will be given on contractual terms exactly similar to those of tuition fees loans from BRD, and the terms are subject to be reviewed for the subsequent intakes.

Specific Laptops have been carefully assigned according to particular study programs and required laptop capacity. While, for this year, the make/brand of the laptops is the same, specifications/capacity per recipient will be different and dependent on the course/program students are taking.

There will be four categories as follows:

1. Lenovo Notebook, Intel Core i3, 8GB RAM, 512GB SSD
2. Lenovo Notebook, Intel Core i5, 8GB RAM, 512GB SSD
3. Lenovo Notebook, Intel Core i7, 8GB RAM, 512GB SSD
4. Lenovo Notebook, Intel Core i7, 16GB RAM, 512GB SSD

Eligible students will receive communication through the usual channels (Email + SMS notifications).

Further information about delivery and distribution timelines will be communicated.

Done at Kigali on. *24*..06/2023
