OFFICE OF THE VICE CHANCELLOR

ANNOUNCEMENT REGARDING THE RELEASE OF ADMISSION RESULTS FOR THE ACADEMIC YEAR 2026-2027 FOR UNDERGRADUATE ACADEMIC PROGRAMS

The University of Rwanda (UR) is pleased to inform all candidates who submitted applications for admission to its undergraduate programs for Academic Year 2026-2027 that the admission results are now available.

The following should be noted:

1) Admitted candidates can access the Acceptance Letters for the programs they have been admitted into through the online link: **https://admissions.ur.ac.rw/**;

2) Qualified candidates who could not be admitted into the programs applied for, due to the high competition in the concerned programs versus the absorption capacity of each program, were provisionally admitted into other programs they qualify for, subject to making registration as confirmation for acceptance to study those programs;

3) All admitted candidates (fully/provisionally admitted) are required to confirm acceptance of their admission by registering within the prescribed period indicated in their respective acceptance letters. Failure to register within the stipulated period will lead to losing the place, which will subsequently be offered to applicants on the waiting list;

4) The cut off weighted aggregates in each academic program are available on the University Website, for any further reference.
