

OFFICE OF THE COLLEGE REGISTRAR

**ANNOUNCEMENT FOR STUDENTS WHO SUCCESSFULLY COMPLETED
CATCH UP PROGRAM**

This is to inform all students Cohort **2015-2016**, who underwent and successfully completed catch up program that they have to make registration before being integrated into the **Bachelor of Medicine and Surgery programme** of the College of Medicine and Health Sciences in the University of Rwanda (UR).

Each and every candidate will be integrated to the program on condition that he/she satisfies the following conditions:

1. To pay all requested fees of catch up program;
2. To pay registration fees equivalent to **35,000 Frw**;
3. To presents all bank slips to the Finance Directorate at Remera campus and get approval for further steps.
4. After being approved by Finance, each and every candidate will present a copy of bank slip of **35,000 Frw** to the Registrar's Office at Remera campus for making registration.

Registration will be from **10th to 22nd February 2021** and classes will begin on **22nd February 2021**. More details from the School of Medicine and Pharmacy on the mode of delivery.

NB: No candidate will be allowed to attend class without being registered and the non-attendance of lectures is one of the conditions to be considered as absconded and shall, therefore, be discontinued (Cfr article of 96 and 97 of General Academic Regulation).

We also advising students in the Cohorts 2013-2014 and 2014-2015 who didn't register to post pone their studies and come next year when they are able to clear their debts for the catch-up program.

Done at Kigali, on February 9, 2021
