Announcement of additional admission interview results – Postgraduate programmes, September 2026 Intake

The College of Medicine and Health Sciences (CMHS), School of Nursing and Midwifery (SoNM), University of Rwanda, is pleased to announce the **interview results for additional candidates** seeking admission to the postgraduate programmes for the September 2026 intake, following the extension of the application period.

The interviews were conducted for candidates applying to the **Master of Science in Nursing (MScN)** programmes specializing in **Neonatal Nursing, Pediatric Nursing, and Perioperative Nursing**, as well as the **Master of Science in Mental Health Nursing** programme.

The list of successful candidates is attached to this announcement. All admitted candidates are requested to follow the University of Rwanda's admission and registration procedures and complete the required documentation as communicated by the University. Classes will commence **on Monday, 19 October 2026.** All successful candidates are expected to prepare for the start of their studies accordingly.

The University of Rwanda congratulates all successful candidates on their selection and wishes them a rewarding and successful academic journey.
