

Opportunity for GIS Training

In the framework of UR - Sweden Programme for Research, Higher Education and Institutional Advancement - GIS subprogramme, the College of Science and Technology, through its Centre for Geographic Information Systems and Remote Sensing (CGIS), has the pleasure to organize a One Week GIS training which will take place at UR Nyarugenge Campus from Monday 4th to 8th March 2019.

1. **Number of Participants:** 25
2. **Who can apply?** UR academic staff and postgraduate students (PhD and MSc/MA students). Female are highly encouraged!
3. **Requirements:** Computer skills (especially Ms Excel and basic skills in Ms Access)
4. **How to apply?** Just send an email with the subject "**Application for GIS Training**" to the training organizer Mr. Joseph Tuyishimire (tuyishimirejoseph@gmail.com) with a copy to CGIS Director Mr. Gaspard Rwanyiziri (grwanyiziri@gmail.com) at the latest on Friday, 8th February 2019 at 5.00 PM.

All expenses (transport and living costs) for participants from outside of the City of Kigali will be covered by UR-Sweden Cooperation/GIS Subprogramme.

Done at Kigali, 18th January 2019
