

Call for posters and oral presentation during CAVM research Exhibition and Career fairs

The University of Rwanda-College of Agriculture Animal Sciences and Veterinary Medicine will hold its Research Exhibition and Career fairs from April 29th to May 3rd, 2019, to share research and creative endeavors to a general audience and offer an opportunity for professional development by challenging graduate students to present their work in clear, comprehensible terms to people outside their fields.

All Researchers and students pursuing their master's paper are encouraged to apply and participate in the poster and oral presentation to be held on May 2nd to 3rd 2019.

Ongoing and alumni Students who want to participate in exhibition are also encouraged to submit their projects proposals and posters to their respective departments.

Location:

The University of Rwanda-College of Agriculture Animal Sciences and Veterinary Medicine -Busogo Campus.

SUBMISSION & REVIEW PROCESS

Guidelines for poster design

All posters to be exhibited during the UR-CAVM research exhibition should follow the following guidelines:

1. **Size:** Portrait, 84 cmx 118cm (A0).
2. **Color content:** Not exceed 40% of the whole content, light colors are recommended.
3. **Font:** Readable from at least 4 m.
4. **Paper:** Plain papers will be used for printing.
5. Poster title
6. Poster author information
7. Short poster abstract (250 words maximum)
8. One to five keywords
9. The title should be less than 100 characters
10. Limit abstract body to 1500 characters (Approximately 200 words)
11. The font should be Times New Roman, 10 singles spaced.

NB: Please consider this during your poster's development, otherwise we will not be able to assist you in printing and availing posters' stands.

Submission for oral presenters

All oral presenters should submit:

1. Title of the research,
2. Abstracts with Approximately 400 words

The documents (Oral presentations and Posters) should be submitted to their respective departments with a copy to:

guillaumenyagatare@gmail.com ; eliasnelly1@gmail.com and jeanpablo200@gmail.com.

The Department Committee will review and evaluate all submitted oral presentation' based on their originality, significance, quality and clarity.

Guidelines for the Presenters

- Your whole performance, including Q&A cannot be more than 20 minutes, meaning your presentation should last about 10 minutes to allow for another 10 minutes of Q&A,
- Remember that your presentation will be much more appreciated if it is short, with a clear message and raises curiosity and questions from your audience,
- If you use slides, try to include images and photo's (one image says more than 1000 words!),
- Don't put too much text on one slide, better divide info in small chunks per slide,
- Use concrete examples and metaphors,
- Presenting concrete figures is good, but avoid too many technical details.

IMPORTANT DATES

Submission Deadline	Friday, April 10, 2017, 17:30
Notification of Acceptance	Friday, April 15, 2019
Final Presentation Slides due	Wednesday, April 19, 2019

All posters and proposals should be submitted to their respective departments and the Department Committee will review and evaluate all submitted posters and students' proposals based on their originality, significance, quality and clarity.

NB:

- 1. Those who need to present and are outside CAVM (researchers from different institutions, colleges , IPRC,s, RAB, MINAGRI, REMA, WASAC, etc) , are required to submit their posters or oral presentations to guillaumenyagatare@gmail.com with a copy to: eliasnelly1@gmail.com and jeanpablo200@gmail.com.**
- 2. MSc students and researchers supported by SEAD projects are also encouraged to apply.**
- 3. All accepted posters and oral presentations will be recognized by the college and got a chance to be published in the RJSEAS.**

Done at Busogo on 20th March 2019
