Ref: UR-DRI/007/2019

Laboratory Technicians & Laboratory Managers
University of Rwanda

Dear All,

RE: INVITATION TO TRAINING OF LABORATORY TECHNICIANS

This is to invite you to apply for the training on Laboratory Management, organised by the University of Rwanda, Directorate of Research and Innovation (UR-DRI) under the support of UR-Sweden Programme for Research, Higher Education and Institutional Advancement, Research Management Support- RIPGS Sub- Programme. The training will be conducted from 27th May to 7th June 2019 at UR- Headquarters for the theory part and in selected science laboratories for the practical part.

The purpose of the training is to strengthen the capacity of UR- Laboratory Managers and Technologists in the following areas:

- Good Laboratory Practices (GCLP)
- Laboratory Organization and Personnel
- Laboratory Equipment Management
- Laboratory Procurement and Inventory management
- Reagents Kits and materials
- Quality Control of Laboratory test
- Quality Control Management systems
- QC and ISO
- Bio-Risk Management (Bio-Safety and Bio-Security)
- Measuring level of pollutants in a laboratory
- Animal and Plant management in a Laboratory
- Animal and Plant management in a Laboratory
- Agarose Gel Electrophoresis
- Introduction to PCR and concepts in detail
- Next Generation Sequencing
- Laboratory practice

To apply for attending the training, interested candidates are requested to send an application to Alice Dukuze's email address (alicedukuzek@gmail.com) with a copy to Prof. Deo Jaganyi (deojaganyi@gmail.com) and Prof. Kato Njunwa (njunwakato@gmail.com) not later than Wednesday 15th May 2019.

For Prof. Deo Jaganyi
UR-Director of Research and Innovation
