

**INTERNAL CALL FOR APPLICATION FOR MASTERS SCHOLARSHIP IN
REHABILITATION (PROSTHETICS AND ORTHOTICS) OFFERED BY
UR – CEBE**

The University of Rwanda Regional Centre Of Excellence in Biomedical Engineering and eHealth (CEBE) is a Centre with the mandate of providing leadership, intellectual capacity, and infrastructure required to accelerate the provision of cost-effective, technology-supported healthcare services in Rwanda and the surrounding region. The vision of CEBE is to build a critical mass of qualified workforce in the Biomedical sector with competent technical skills, innovation, research and development capabilities. The additional expectation of the Centre is to create a conducive environment for the development of a vibrant and dynamic service industry. The aim of CEBE is to develop highly skilled professionals who, will lead and conduct research that impact both national and the region in Biomedical Engineering, Rehabilitation and e-Health.

In this context, CEBE invites interested applicants who are staff of UR, and who are interested in pursuing Master studies to apply for the scholarships in the area of Rehabilitation and Mobility Sciences; specifically, in Prosthetics and Orthotics with focus on use and application of assistive technology.

The applicants should have background in Prosthetics & Orthotics. To be qualified for the scholarship, candidates should have obtained an admission at a renown University with strong research and expertise in the above fields. The scholarship will cover Tuition fees, living allowances, research expenses, and travel costs to the University where the candidate has admission.

The complete hard copy of application should be submitted to the office of the Director of CEBE at UR – Kicukiro Campus (former SPH) while soft copy of the application can be sent to the Centre of postgraduate studies to : gashayijagloriose@gmail.com, Gashayija Umurisa Gloriose, Scholarship officer, Dr. Celestine Twizere, Director of CEBE, (email:celestintwizere@gmail.com) with Cc. to Ass Prof. David Tumusiime Deputy-Director of the Centre of Excellence in Biomedical Engineering and eHealth (email:dktumusiime@gmail.com) not later than 17th July, 2020 at 5:00 pm.

CAW

The applicants should submit the following documents:
