JOB ADVERTISEMENT

The University of Rwanda - College of Science and Technology would like to recruit a competent and qualified academic staff to occupy a vacant position at Lecturer's level in the School of Architecture and Build Environment (SABE).

The Candidate shall be holder of, at least, a Master of Architecture degree with minimum eight years of experience working in an academic institution. In addition to having a strong teaching and research experience, the prospective candidate shall also demonstrate an excellent track record of leadership and administration of academic affairs, with good understanding of the East African higher education context.

A part from the abovementioned requirements, the successful candidate is expected to demonstrate his/her ability to contribute to advancing SABE's development in the following areas:

- Teaching and research in the areas of sustainability and urban environmental sciences;
- Production of scholarly activities including the development of teaching and learning materials and publication of text books;
- Review of existing curriculum and development of new and innovative course contents to adjust to market and societal needs;
- Quality proposals writing to attract research grants;
- Participating in continuous professional development;
- Expanding regional and international collaborations;
- Promoting community outreach and consultancies;
- Strengthening academia and industry linkages;
- Carrying out such related duties that may be allocated to you as advised by the department, school, college and university leadership.

The Application documents include:

- Application letter written (in English) to the Principal of the College of Science and Technology, University of Rwanda;
- Curriculum Vitae;
- A copy of degree and transcripts certificate;
- Identity Card.

Applications will be received during working hours from 7:00AM up to 5:00 PM at the College's Central Secretariat, **not later than 13th February 2019 at 5:00 PM.**[1]

Done in Kigali, 6th February 2019.

Dr. Ignace GATARE
Principal, College of Science and Technology, University of Rwanda
