

Kigali, 27/08/2019
Ref. N°: VC.1426/2019

Notice to the general public regarding temporary suspension of real time payment system at the University of Rwanda

This is to bring to the notice of the general public that the University of Rwanda is in the process of updating its finance subsystems under the Integrated Education Business Management Information System (IEBMIS), that activity will require a **temporary suspension of its real time payment system with the Bank of Kigali (BK) from 28th to 29th August 2019**. This will affect the automatic recognition of payment on individual UR customers' ledger account. However, it does not stop any of UR customers from making payment to our Bank of Kigali accounts. On 30th August 2019, our real time payment system will be working as usual and UR will recognize your payments in its IEBMIS.

In case of any further clarifications you can contact us on phone number 0788357397, email: jhigiro@ur.ac.rw for UR Finance Division Manager and/or phone number 0783029244, email: theondaijaden@gmail.com for UR Accountant at Head Office.

Thank you for your understanding.

Done at Kigali, on 27th August 2019.

Prof. Philip Cotton
Vice Chancellor
