

## ANNOUNCEMENT

Considering an irreplaceable role of languages in transmitting and advancing knowledge, allowing people's communication and interaction, exploring societies' cultures, traditions, and values, the University of Rwanda created in 2015 the Centre for Language Enhancement (UR CLE) to cater for language teaching and learning at any level of education. The UR CLE strives to assist the UR community (students and staff) as well as other interested communities to reach the language proficiency levels that enable them to be successful in their careers and studies, locally and internationally. To reach this end, UR CLE uses available resources locally, but also relies on existing partnerships especially when teaching foreign languages.

It is in this context that the University of Rwanda in collaboration with Yunus Emre Institute would like to inform the public about the opportunity to learn the Turkish Language. Teaching and learning is planned to start in June 2021 and the course will be free of charge for University students. Candidates will also learn the Turkish Culture and other different activities, which will benefit them.

### **1. Eligibility criteria:**

- Current students at university
- Graduated students and alumni of universities in Rwanda
- High school graduates with high marks

### **2. Application procedure:**

Interested candidates should fill in the form via the link below:

<https://forms.gle/YHcwjvNj9SiBjLyQ8>

Successful students will be contacted via e-mail
