

Call for Manuscripts, volume 6, Issue 2, November 2024

Dear Madam/Sir,

On behalf of our Editorial Board, we warmly invite you to submit your research to the next issue Volume 6, Issue 2 of ***Rwanda Journal of Engineering, Science, Technology and Environment (RJESTE)***. It is an open access, peer-reviewed journal published bi-annually by the University of Rwanda - College of Science and Technology. The Editorial Board is currently assessing the possibility for publishing three issues each year. The journal aims at publishing the original research articles, review articles, and selected conference articles on the latest developments in the fields of *engineering, science, technology, environment and related domains*. The publications should either demonstrate a significant new discovery or other contribution that has been established to fairly rigorous scientific standards. No publication fee is required.

For detailed information and guidelines for the authors, kindly visit the Journal Website: <https://www.ajol.info/index.php/rjeste>

Having your research published as a piece of scientific work will help your readers to learn more about the current state of arts in your research field. We kindly encourage you to submit your excellent work to our upcoming issue, which will be published at the end of November 2024. Only the manuscripts which are received from now up to the end of September and that successfully pass the review process will be published.

Any inquiry related to our journal and the planned issue can be addressed to Dr. Ernest Uwayezu at e.uwayezu@ur.ac.rw/wayezuernest@gmail.com, with copy to Professor Telesphore Kabera, at t.kabera@ur.ac.rw/kaberacriss@gmail.com

All submissions should also be addressed to e.uwayezu@ur.ac.rw/wayezuernest@gmail.com, with copy to Professor Telesphore Kabera, at t.kabera@ur.ac.rw/kaberacriss@gmail.com

Prof. Telesphore Kabera, PhD

Editor-in-Chief

Rwanda Journal of Engineering, Science, Technology and Environment (RJESTE)
