

## Call for application-Enumerators for the Rwanda National Immunization Coverage Survey 2023

The team from the University of Rwanda School of Public Health, through its Holdings Group (UR-HG-Ltd) is about to conduct the second national immunization coverage survey for 2023 (ICS-2023) in all the 30 districts of the country, for the Rwanda Immunizations Program Unit. The survey aims to provide a more accurate estimate of coverage, the routine vaccination coverage performance, and to provide information on impact of COVID-19; for equitable and quality coverage improvement plan. The survey will be conducted in sampled households, schools and health facilities.

The UR-HG Ltd would like to receive applications for the position of enumerators who will undergo an intensive five-day training and straight go to the field for at least 40 days, nonstop, including weekends. The candidate should have the following profile:

- Rwandan by nationality,
- Young aged and physically fit for field data collection anywhere in the country, including very hilly areas and probably during rain, where vehicles and motorbikes cannot afford,
- Strong experience in household survey (as enumerators or team leaders), with a specific focus on child health, immunization coverage survey,
- Familiarity with Android devices for data collection, especially CsPro,
- Experience in research with UN agencies and other big international organizations such as World Vision Rwanda,
- Degree or certificate in health or social sciences,
- Full availability during the course of the activity: five days for training, at least 40 days for data collection including weekends and being in the assigned area until the end of the activity,
- Free from any other engagement, currently unemployed to ensure the full availability,
- Having an Android tablet or big smart phone with enough capacity, equipped with GPS,
- Good track records during previous surveys
- At equal profile, females will be given a priority

Interested and highly qualified individuals are requested to send their detailed and concise **CV and Cover letter within one pdf document** (highlighting their full availability) to the Principal Investigator, Mr Albert NDAGIJIMANA, at: [andagijimana@nursph.org](mailto:andagijimana@nursph.org), with copy to [ceo.urholdings@gmail.com](mailto:ceo.urholdings@gmail.com) and [fm.urg@gmail.com](mailto:fm.urg@gmail.com). The deadline for application is **September 10, 2023 at 12:00**.

**Note:** Only qualified applicants will be contacted for commitment and training, straight for data collection.

Regards

Mugesera Narcisse  
Chief Executive Officer
