

Communication to all Postgraduate Applicants

Dear Postgraduate Applicant,

Thank you very much for your interest in studying at the University of Rwanda (UR).

We would like to inform you that the processing of your application has slowed down due to the current worldwide COVID-19 crisis and we apologize for it. Indeed, all our students and staff have been confined to their homes to prevent possible COVID-19 contagion. However, we are putting in place mechanisms for our staff to work from home and for our students to continue to engage with their teaching and learning materials using UR e-learning platform.

You will soon receive the outcome of your application for admission as well as information on registration and hopefully on the date of our resumption of face-to-face teaching, learning and assessment. Of course, once you are admitted and registered, you shall be able to access the online teaching and learning materials related to the program you will have registered for to enable you to start familiarizing with them.

Please, receive once again our sincerest apologies for this delay due to circumstances that are beyond our control.

Best regards,

Dr Celestin NTIVUGURUZA

Acting Director, University of Rwanda Centre for Postgraduate Studies
