The University of Rwanda (UR) is a Rwandan public higher learning institution, established by law N° 71/2013 of 10/09/2013 determining its mission, powers, organization and functioning. UR is constituted of six Colleges namely, College of Agriculture, Animal Sciences and Veterinary Medicine (CAVM), College of Arts and Social Sciences (CASS), College of Business and Economics (CBE), College of Education (CE), College of Medicine and Health Sciences (CMHS), and College of Science and Technology (CST). The mission of UR is to deliver quality education and develop innovative teaching and research to contribute to socioeconomic development of the nation, the region and the world. The University also hosts a number of Centres of Excellence including Internet of Things, Energy for Sustainable Development, Data Science, Innovative Teaching of Mathematics and Science, Biomedical Engineering and e-Health, Vaccines, Immunization, and Health Supply Chain Management, and Biodiversity and Natural Resources Management.

UR seeks to fill the key positions of Principals of the College of Arts and Social Sciences, College of Business and Economics, and College of Medicine and Health Sciences. The Colleges are structured into Schools, Centres, and Departments delivering general and professional training as well as carrying out research across disciplines. These Colleges are a critical part of UR's profile and reach as a University and as such we are seeking exceptional individuals to lead the teaching, research and service in these areas.

The Principal is a member of the Senior Management Council in the University and the post-holder is expected to be a leader in academia, with excellent people management skills, and a genuine commitment to the development of students and staff.

Eligible applicants should demonstrate:

- 1) Academic achievement and hold a PhD in one of the fields relevant to the College for which application is made
- 2) Evidence of at least 3 years' effective teamwork, leadership and management at a senior level in a higher education institution
- 3) Capacity to initiate innovations to ensure a vibrant and competitive College
- 4) Teaching experience of at least 4 years in one of the disciplines of the College
- 5) Commitment to partnerships and entrepreneurship
- 6) Evidence of success in securing grant funding
- 7) Evidence of capacity building and a commitment to professional development
- 8) Evidence of involvement in research postgraduate training through publications in peer reviewed journals and successful postgraduate supervision
- 9) Commitment to building scholarship in teaching, learning and assessment
