

**CALL FOR APPLICATION FOR FACULTY MEMBERS OF THE POSTGRADUATE PROGRAM AT
THE COLLEGE OF MEDICINE AND HEALTH SCIENCES – SoMP – UNIVERSITY OF RWANDA**

I. BACKGROUND

The Government of Rwanda has prioritised health workforce development as a key area in fast-tracking Rwanda's progress towards Universal Health Coverage (UHC) and strengthening human capital development. To this end, the Human Resource for Health (HRH) Secretariat was established with a paramount mission of building health education and capacity health workforce necessary to create a high quality and sustainable healthcare system. Thus, the Ministry of Health in collaboration with different Ministries and other stakeholders has developed the National Strategy for Health professions development (NSHPD) 2020-2030 as a guide to attaining such mission. In partnership with the University of Rwanda (UR), College of Medicine and Health Sciences (CMHS); the Ministry of Health through the Human resource for Health Secretariat (HRHS) is pleased to announce the Call for application for the recruitment of faculty members who will contribute to the implementation of the National Strategy for Health Professions Development (NSHPD) 2020-2030.

II. GENERAL REQUIREMENTS

In addition to the minimum qualifications point out with the list of available positions (attached), the general requirement for the candidates include:

1. Demonstrate evidence of an outstanding teaching ability and show an exemplary track record in applying innovative and problem-solving approach in teaching methodology, combining theory and practice to motivate scholarly excellence, conducting research to achieve excellence in teaching
2. Prove an exemplary clinical track-record in the field of their expertise where relevant.
3. Ascertain evidence of contribution in both academic and clinical activities where required. Experience of teaching in a Higher Learning Institution will be an added value.

III. MAIN RESPONSIBILITIES

While specific responsibilities will be defined based on the subject area and academic grade level, the main responsibilities will include theoretical and practical teaching, research and student mentorship, and community service, to name a few.

IV. APPLICATION PROCESS AND DEADLINE

Application will be submitted to the email: info@moh.gov.rw , with a copy to Ms. Esperance B. Ndenga, Faculty Planning and Development Specialist at the following email: esperance.ndenga@moh.gov.rw and to Ms. Jane Karuranga, Director of Administration and Human Resources at University of Rwanda / Remera Campus, to the following email: karurangajane@yahoo.com. To complement your application, please submit motivation letter to the mentioned emails with an indication in the subject line of the email of the name of the position. In the motivation letter, please include the desired length of stay and statement of their availability, and contract start date. Along with the motivation letter, please remember to submit the following supporting documents:

- A current Curriculum Vitae.
- Copies of academic credentials (degrees or certificates).
- A proof of License to practice provided by his/her professional council where applicable.
- A proof of academic and professional experience.

The application package should be submitted as early as possible after the call for application is opened. While the application will remain open until all positions are filled, applicants should be aware that hiring office may begin reviewing applications during the job posting period based on pressing need in subject area.

V. ADDITIONAL INFORMATION

- Approved candidate will be requested to provide criminal record certificate and notarized copies of academic and professional credentials.
- Any questions of further clarifications regarding this call for application, please send them all the way through the following email: esperance.ndenga@moh.gov.rw.
- A list of available positions is annexed to this call for application.
- Only shortlisted candidate will be contacted by email and successful applicants are expected to assume functions as soon as pre-recruitment formalities are completed.

Kigali, On 08 / 06 / 2022

Dr. Patrick Ndimubanzi
HRH Secretariat – Executive Secretary.

Assoc. Prof. Jeanne Kagame
Principal, CMHS – University of Rwanda.

**AVAILABLE POSITIONS FOR FACULTY MEMBERS AT UNIVERSITY OF RWANDA,
COLLEGE OF MEDICINE AND HEALTH SCIENCES**

Guiding Principles: Depending on the profile (academic credentials, clinical and academic experience, as well as research achievements) of the applicant, an academic position/rank (Professor, Associate Professor, Senior Lecturer, Lecturer, Assistant lecturer, Tutorial Assistant), will be defined during the appointment process.

No	DEPARTMENT	SPECIALTY/SUB-SPECIALTY	Numbers	QUALIFICATION /REQUIREMENTS
1	ENT – (Ear, Nose, and Throat).	Head and Neck Surgeon	2	<p>Candidates must have:</p> <ul style="list-style-type: none"> - A primary qualification in Medicine (MD, MBBS or equivalent). - A specialty degree/certificate such as the Master of Medicine or equivalent with an experience of at least three years in Ear, Nose, and Throat surgery. - A subspecialty degree/certificate in Head and Neck Surgery. - Having a Ph.D. is an added advantage. <p>Candidates must demonstrate a track-record of experience in teaching, clinical supervision, mentorship, and research.</p>
