

PUBLIC NOTICE

As part of preventive measures against COVID-19 transmission and with reference to the Ministry of Health's instructions to prevent the spread of COVID-19, one of the measures is that correspondences across institutions be limited to electronic channels (via emails) and that hand delivered mails and packages are discontinued until further notice.

The University of Rwanda would like to inform the general public that all correspondences to and from the University will be via electronic mail addresses of their respective central secretariats in all campuses with immediate effect
