

Rwanda Journal of Medicine and Health Sciences

Call for Articles

The Editorial Board of the *Rwanda Journal of Medicine and Health Sciences* (RJMHS) invites you to submit articles for publication in **Volume 5** of the journal for 2022. The manuscripts can be:

- Original Articles,
- Review Articles,
- Short Communications,
- Letters to Editor,
- Perspective Articles,
- Lessons from the field or
- Case reports.

These are expected to have applicability in various health related fields including but not limited to medicine, pharmacy, dentistry, nursing, public health, nutrition, health management and policy, and other health sciences.

Guidelines for Authors can be accessed at:

<https://www.ajol.info/index.php/rjmhs/about/submissions>

The articles should be submitted via online platform:

<https://mc.manuscriptcentral.com/rjmhs>.

All submissions are peer-reviewed before they can be published online, and the accepted articles will be published in the following Issues:

No	Issue	Submission	Publication
1	Volume 5. No.1	Every day	March, 2022
2	Volume 5. No.2	Every day	June, 2022
3	Volume 5. No.3	Every day	September, 2022
4	Volume 5. No.4	Every day	December, 2022

Rwanda Journal of Medicine and Health Sciences is indexed in the African Journals Online (AJOL) and is widely accessible.
